WORK EXPERIENCE

Freelancer   **Apr.2022 – Present Time**
UX/UI Designer, Product Designer, 3D Visualisation, Mobile React-Native Dev   *Friedrichshafen, Germany*

- Built full 3D scene of Tennis Courts Center that located in my hometown, that is successfully working nowadays.
- Created an attractive cover artwork from scratch for medical packaging.
- Re-built main Web Page for "Dnepro.net" company, so that leads to 40% better conversions.
- Created strong ReactNative Apps like "Glovo", "Flo", "UberEats".

Voronin Design Studio   **Jan. 2022 – Apr. 2022**
UX/UI Designer, Product Designer   *Lviv, Ukraine*

- As Junior UX/UI Designer, I had been responsible for optimizing functionality and adaptiveness of existing products.
  - Made 3 local businesses grow-up in their conversions by 30%.
  - All products enhancements made in that period, are actively working, get good conversions and are sold till present day.
- Was also responsible for creating good-looking and intuitive mail offers that can lead to new client.
- Created the best mobile version for "Nasha Khata".
- "Tvoye Fabric of Feelings" redesigned and improved in usability of Web Page.
- Made a solid and intuitive dashboard for "Medis" company.

EDUCATION

IT Step University   **Sep.2018- Jul.2022**
Bachelor's degree, Computer Science   *Lviv, Ukraine*

Gymnasium "Sykhivska"   **Sep.2007- May.2018**
Graduated   *Lviv, Ukraine*

INTEREST

I'm very extraverted and creative person, who can think in either way to take out the "im" part of the word "impossible", and I can make everything possible! :)

I love playing big tennis, do boxing, and bicycling.

I like to be a part of communicative, honest team, and bring the clearest and most "wow" ideas to life together.

If this sounds interesting and you see that my skills suit you, let me know: bodniaalex2911@gmail.com. (remote position is more flexible and preferred).

Always open to create something with You this remarkable and good, so product can say it by itself!

Best wishes, and have a nice day,

Alex.
